This assessment was performed for the purpose of identifying recognized environmental conditions.

2.0 SITE DESCRIPTION

The property consists of undeveloped land with scattered trees.

3.0 USER-PROVIDED INFORMATION

No environmental liens were reported by the user.

6.1 FINDINGS

City directories and aerial photographs show a fuel station on the northeast corner of the property from 1968 to 1994. No closure records were located. Based on this information, the former retail fuel station and associated underground storage tanks represent a recognized environmental condition.
